

Raj Soin is a highly accomplished entrepreneur with over 40 years of executive experience. He has held leadership roles as Chairman, CEO, and Board Member across multiple industries, including Defense & Engineering Services, Commercial & Defense Software, Manufacturing (Plastic & Metal), Automotive Components, Real Estate & Textiles.

As the Founder, Chairman, and CEO of MTC Technologies, Inc., Raj played a pivotal role in growing the company into a major enterprise. He has also served on boards for Kettering Health Network, Wright State University, Dayton Area Chamber of Commerce, and more.

Currently, Raj is the Chairman & CEO of Soin, LLC, overseeing family enterprises and equity investments. His board memberships have included Kayne Anderson Real Estate Partners, Transtar Industries, Diebold-Nixdorf, and Bradley University.

Committed to giving back, Raj and the Soin Foundation actively support education and healthcare initiatives. Key contributions include Indu & Raj Soin Medical Center, Raj Soin College of Business (Wright State University), Sukhdev Raj Soin Hospital (India), Soin Pediatric & Trauma Center (Dayton Children's Hospital), Satya Soin High School (India), Vishal Soin Innovation Park (Wright State University), Soin Early Childhood School (Miami Valley School), Raj & Indu Soin Hall (Bradley University).

Raj has been married to Indu Soin for over 50 years. They have two sons, Vishal and Amol, and are proud grandparents of seven.

Well-traveled and fluent in four languages, Raj embraces diverse cultures worldwide.
